## TACO BELL: 2026 RGM QUARTERLY INCENTIVE PLAN

### BRAND SYSTEMS EXECUTION:

We are interested in ensuring that our store leaders are executing the Taco Bell Brand Operating Systems on every shift. This is the single most important expectation of each RGM. This is best measured through our CORE program, which occurs two (2) to three (3) times annually. In 2026, the Company will continue to incentivize excellence in this area through the CORE Reward Program. **RGMs will participate in the CORE rewards program as a standalone component, which does not impact the quarterly incentive payout. We will pay for the first two COREs that are completed (subject to Brand strategy).**

### INCENTIVE KICKERS:

The Company is also interested in rewarding sustained excellence across our stores. As such, **RGMs are also eligible to receive the following annual “kickers” in addition to the Quarterly Incentive & CORE Reward payouts:**

Kicker Type:	Requirement:	Amount:
“Signature Restaurant”	RGM must achieve “Signature Restaurant” eligibility at year end.	\$2,000/year
“Supreme Rating”	RGM must achieve 5-star rating YTD.	\$2,000/year

Kickers are paid out one time per year, along with the Q4 quarterly payout. An RGM must be in position for at least 12 months to be eligible for an annual kicker.
