

THIS PERIOD WE'RE FOCUSING ON SLIP AND FALL PREVENTION TO PROTECT BOTH OUR TEAM AND OUR CUSTOMERS. CLEAN, DRY, AND HAZARD-FREE FLOORS HELP PREVENT INJURIES, REDUCE LIABILITY, AND KEEP OUR RESTAURANTS SAFE.

SLIP & FALL PREVENTION: KEEP FLOORS SAFE AND DAY

Floor safety starts with prevention and quick action.

- **Clean Spills Immediately:** Wipe up water, grease, food, and other spills as soon as they happen.
- **Use Wet Floor Signs:** Always place wet floor signs when mopping or when floors are wet. When raining, put out wet floor signs at all entry doors.
- **Keep Mats in Place:** Make sure entry mats and kitchen mats (where applicable) lie flat and do not curl at the edges.
- **Wear Slip-Resistant Shoes:** Proper footwear helps reduce the risk of slipping in wet or greasy areas.
- **Check High-Risk Areas Often:** Monitor drink stations, sinks, dish areas, walk-ins, and entrances throughout the day.
- **Do Not Walk Past a Hazard:** If you see a spill or unsafe area, take action immediately or notify a manager.

WALKWAY SAFETY: REMOVE HAZARDS BEFORE THEY CAUSE INJURY

Clear walking paths help protect team members and guests from preventable accidents. .

- **Keep Aisles Clear:** Never leave boxes, cords, tools, or supplies in walkways.
- **Secure Floor Surfaces:** Repair loose tiles, torn mats, and uneven flooring as soon as possible.
- **Improve Visibility:** During rain or bad weather, inspect entryways often and change soaked mats promptly.
- **Use Handrails when Available:** Encourage safe use of stairs and step down areas.
- **Slow Down and Stay Aware:** Rushing increases the chance of slipping and tripping.

REPORTING & RESPONSE: ACT FAST AFTER A SPILL OR FALL

- **Report Hazards Immediately:** Let management know about spills, leaks, damaged flooring, or any unsafe walking condition.
- **Respond to Falls Quickly:** Assist the injured person, notify management, and complete MSI Incident report within 24 hours of incident.
- **Document the Incident:** Complete reports promptly and accurately so the company can respond appropriately.

Slip and fall prevention is a key part of restaurant safety! Your attention to detail protects our guests, your team, and the business. Thank you for making safety a priority every day!
